## Enhancing Vision: Comprehensive Eye Camp for Students by VASAN Eye Care Hospital

On July 1, VASAN Eye Care Hospital conducted a comprehensive eye camp for students from Grade 1 to Grade 12. The event took place on the school premises and was aimed at promoting eye health and early detection of vision problems among students. The eye camp commenced at 9:00 AM and continued until 4:00 PM, ensuring that all students had the opportunity to participate. A team of experienced ophthalmologists, optometrists, and support staff from VASAN Eye Care Hospital facilitated the camp.

## "Honouring a Visionary: Kamaraj Day Celebration and His Legacy in Education"

On July 15 our school celebrated Kamaraj Day to commemorate the birth anniversary of the late Chief Minister K. Kamaraj. The event honoured his tremendous contributions to educational development in Tamil Nadu and his unwavering belief in the transformative power of education. The celebration began with a special assembly attended by the students, teachers, and staff. The assembly was dedicated to pay homage to K. Kamaraj, a visionary leader who reinforced the importance of education in our daily lives. The event encouraged students to recognize their role in continuing Kamaraj's mission and to strive for excellence in their educational pursuits.

## Harmonious Voices

On July 6, 2024, our school hosted a Melody Singing Competition for students from Grades 3 to 8. The event was held in the school auditorium and was a vibrant celebration of young musical talent. The competition aimed to provide a platform for students to showcase their singing abilities and to foster a love for music among the students. The diversity in song choices highlighted the versatility and broad musical interests of the participants. The competition saw enthusiastic participation from over 50 students. Each participant had prepared diligently, and their excitement and passion for singing were evident in their performances. The Melody Singing Competition was a resounding success, showcasing the musical talent within our school community. It was an event that not only highlighted the students' abilities but also fostered a deeper appreciation for music.

## "Empowering Educators: Successful Phonics Training for Primary and Pre-Primary Teachers by Angels Phonics Team"

On July 13, a comprehensive phonics training session was conducted for our Primary and Pre-primary teachers by the esteemed Angels Phonics Team. The training aimed to enhance the teachers' phonic teaching skills and equip them with effective strategies for teaching young children the foundational aspects of phonics. The session was highly interactive, featuring workshops designed to engage the teachers in hands-on activities. Teachers participated in various exercises demonstrating effective phonics instruction techniques, such as sound recognition, blending, and segmenting. This training not only improved the teachers' instructional techniques but also inspired them to create a more engaging and supportive learning environment for their students. We extend our heartfelt gratitude to the Angels Phonics Team for their dedication and expertise.

### "Battle of Brains: Quiz Competition Sparks Academic Excellence"

On July 12, an exciting quiz competition was held for students from Grade 6 to Grade 12. The event aimed to challenge the students' knowledge and quick-thinking skills across various subjects. The competition consisted of three rounds, each designed to test different aspects of the participants' knowledge and abilities. Navashrivan .K.N of Grade XI secured First Place, showcasing exceptional knowledge and quick reflexes. Sreenaath .P.R of Grade XII achieved Second Place with impressive performance and deep understanding of various subjects. Joyantoruban .A of Grade X earned Third place, demonstrating commendable skills and knowledge. The quiz competition was a resounding success, highlighting the academic excellence and competitive spirit of our students. The event was well-organized and provided a stimulating environment for intellectual growth. We extend our congratulations to all the participants for their hard work and dedication, with special applause to the winners for their outstanding achievements.

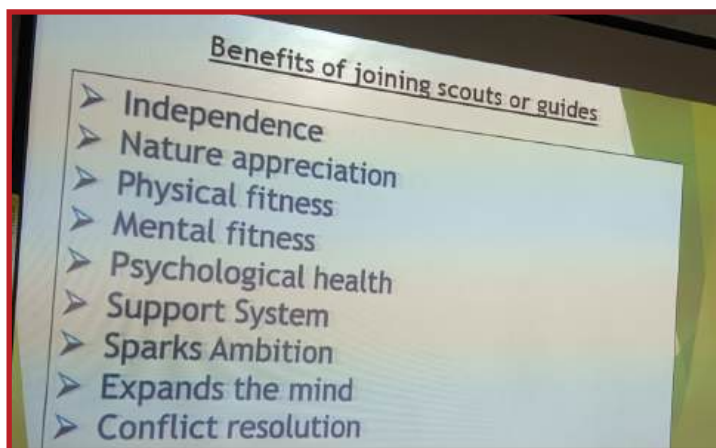

## "Enhancing Student Success: Insights from Our Parent-Teacher Open Discussion Meeting"

A Parent-Teacher Open Discussion Meeting for grades 1 to 9 was held on July 26 at TVMD. This meeting provided an excellent opportunity for parents and teachers to exchange their ideas, opinions, and suggestions. By sharing daily experiences and observations, they could collaboratively plan, prepare, and implement strategies to enhance the children's learning outcomes. The event successfully facilitated discussions on student growth and development. Parents appreciated the insights shared by the teachers regarding their children's academic progress and areas for improvement. Teachers also gained valuable feedback from parents about students' behaviour and learning habits at home. Additionally, the meeting highlighted the importance of a strong home-school partnership in fostering a supportive learning environment. Both parents and teachers agreed to maintain regular communication to ensure the continuous academic and personal development of the students.

## Scouts and Guides and Cups and Bulbuls

Introduced Baden Powell and discussed the significance of the patrol system within the group. Students practiced essential skills such as saluting and marching, ensuring everyone understood the correct procedures. Additionally, they learned and recited the promise, reinforcing the commitment to the values they uphold. Leaders were appointed to various patrols, and discussed their specific roles and responsibilities, emphasizing teamwork and leadership. This comprehensive session aimed to build a strong foundation for the group's activities and foster a sense of discipline and unity.

## "Enhancing Handwriting Skills: A Comprehensive Training Programme by Iragu Foundation"

From July 29 to August 6, the students and teachers participated in a comprehensive handwriting training programme conducted by the Iragu Foundation. This initiative aimed to enhance handwriting skills, focusing on improving clarity, speed, and overall presentation. The programme included a series of workshops, practical exercises, and personalized feedback sessions. Both students and teachers were equipped with techniques to develop better handwriting. The training was well-received, with participants showing noticeable improvement and increased confidence in their handwriting abilities by the end of the programme.

### STUDENT'S MESSAGE

Our school has a vast infrastructure with fascinating surroundings. It is an eco-friendly campus with many plants and trees. Our school gives importance to physical education and they also respect students' mentality. Faculties encourage students to bring up their creative skills. Our school also provides separate space for extracurricular activities and also to enhance their knowledge. To make students enthusiastic and enhanced, the school is provided with a special team called Vijay Studio. They tend to participate in every competition with excitement. Our school has the best, well experienced teachers to teach and motivate the students. The teaching methods of our teachers are very unique compared to other schools. Our school has modern technologies such as digital boards, ACE coaching with fantastic staff. Canteen caters the best, need for everyone's choice. Our school provides clean and pure drinking water and a healthy, hygienic and pleasant environment. Our school focuses on courage, discipline and excellence.

### TEACHER'S MESSAGE

As a teacher at TVMD, I am continually inspired by the dedication and enthusiasm of our students and staff. Our school is more than just a place of learning. It's a community where collaboration, innovation, and growth are at the heart of everything we do. The support from parents and the commitment from our staff create a nurturing environment that allows each student to excel academically and personally. It's a privilege to be part of such an exceptional team and to witness the remarkable achievements of our students every day. Together, we are building a bright future for all

## **AWARENESS AND INFORMATION CORNER**

### **Plants Can Communicate Through Underground :**

Many people know that plants release chemicals into the air, but they also communicate through an intricate underground network known as the "mycorrhizal network." This network is formed by fungi that connect the roots of different plants. Through this network, plants can exchange nutrients and even send distress signals about threats such as pests or diseases. Essentially, it's like a social network for plants, allowing them to share resources and information to help each other survive!
